The famous seven deadly sins are described in Proverbs, Chapter 6, and Galatians, Chapter 5. They are Gluttony, Lust, Sloth, Greed, Wrath, Envy, and Pride. Given how adult jokes in Spongebob Squarepants are aplenty, it should come as no surprise that the seemingly childish show has deeper and darker roots. How does each character match up with the Seven Deadly Sins? Is there even evidence to back up every connection? Whether it is true or not, the SpongeBob Squarepants deadly sins theory is certainly fun to consider. Read on below to consider the dark sides of humanity personified by your favo
