Darth Sidious is definitely one of the most infamous villains of the Star Wars Universe, ceding to Kylo Ren, Darth Vader, and Darth Maul. The essence of the character is threefold: before joining the Dark Side of the Force, after it, and upon becoming an Emperor. This is exactly how we are going to investigate his personality and check out his most prominent lines. Because first and foremost, Darth Sidious won. We are talking about a guy who fabricated a civil war that killed countless innocents and ravaged entire star systems, and didn't even think twice about it because he saw it only as a means to an end. To tyrannize the masses and have them cheer you for it...that, to me, is the definition of pure evil, and that is what makes Darth Sidious so fascinating. But that's not all.
